

Intentional Success

Hi Jackson,

My Dad always said, "Insurance is something you buy never wanting to use."

Our goal is be "Beyond Expectations" when you have a claim and NEED to use your insurance. We also want to be valuable when things are going as expected.

To keep things "Hot" during the Valentine's month, Elevated is running a giveaway open to you! **Please like, share, and guess how many books are on the Elevated Bookshelf:** [Click here to enter our Spa Package Giveaway!](#)

The winner will receive over \$100 in services from one of these fine local businesses, providing wonderful Valentine's day experiences:

Make a guess, and have a great February!

Driven to serve,

Jackson Bubolz
