

Intentional Success

Happy July Jackson,

July's 2 minute video about one of the biggest risks we Wisconsinites are up against each summer:

Elevated doesn't ask often. Today, we will:

- If we haven't built you an insurance solution this year... please let us.

You will be smarter, more confident, and richer for doing so.

- If you're currently a member, share who your friends are that need a better broker. They get a better insurance experience, and you get amazing bonuses...

Ex. a home/auto referral could be a summer's supply of sun protecting cosmetics from Merle Norman.

Driven to serve,

Jackson Bubolz
