

## Focused on our Community

Jackson,

Hope you're having a great summer! Thank you for choosing Elevated Insurance to take care of your coverage!

We have great insurance products, but that's minimum expectation when spending hundreds or thousands of years on coverage. **Our goal as your Community Insurance Service is to make something we're all forced to buy interesting... maybe even cool.**

A way we do that is by supporting you, our client, with fun experiences throughout the year, while driving traffic to local businesses and supporting the "Shop Local" movement.

If you're new or forgot how the **STACK YOUR JACKSONS referral program** works, here's a quick overview:

- Every time you refer a friend or family member to Elevated, we make a \$10 donation to a local For Purpose organization (really a nonprofit I think For Purpose sounds way more empowering)
- If that person becomes a client, you earn a **Referral Bonus Credit** for each line of coverage they use Elevated for. (ie. Home + Auto= 2 Bonus Credits)
- We've partnered with local businesses to hook you up with free experiences! We have different agreements with each business, so ask how many dollars a credit is worth at:
  - [A Better Me Spa](#)
  - [Merle Norman of Brookfield Square](#)
  - New Partner...
- Yes! We are announcing our 3<sup>rd</sup> referral partner tomorrow at 1:30ish, on Facebook Live! If you do not follow us yet, here is the link: <https://www.facebook.com/ElevatedInsurance/>

As you can see from the graphic below, clients are excited to share their insurance experience and be rewarded. We are slightly shy of \$1,000 in bonus given.

As you can see from above, Elevated Insurance is passionate about delivering a better insurance experience to you. Our goal is to be at \$10,000 in referral bonuses by year

end. **If you have someone you'd like to have us build a solution for, respond to this newsletter and we'll figure out the best way to connect with them.**

Thank you for your business. Driven to serve.

Jackson Bubolz
