Happy March Jackson,

Spring is when we think about life, and typically new life.

Elevated has helped a lot of people understand how insurance protects their families.

What if by some twist of fate, this Spring is your last:

(2.5 mins)

Big take aways:

- Enough life insurance to cover debt is inexpensive
- **You will feel great once you've finished the conversation**
- Gift card for you, donation to For Purpose for every completed quote

If you don't have a life insurance policy outside of work, Spring into action and let's plant the seeds of your financial legacy. **Replies to this email come right to me.**

Driven to serve,

Jackson Bubolz
