

Intentional Success

Hi Jackson,

May can bring some nasty weather challenges such as wind, hail, and even tornadoes. There are other risks like dropping the ball on Mother's Day that pack even bigger impact:

If you ever feel I can help with anything: Professional, Personal, or with your Coverage, please ask.

Driven to serve,

Jackson Bubolz

PS- If you're a Star Wars nerd like I am, you'll appreciate this video:
