

Intentional Success

Happy Thanksgiving Jackson,

November is a special time in Wisconsin. For our predisposition to be grateful for what we have, for the time spent with family & friends, and our most popular hunting season: gun/deer season.

As many insureds partake in "the hunt", I wanted to share a quick recap of the 5 most important safety practices while hunting:

Even if you won't don the blaze orange this year, please remember:

- Deer are active. Watch the road's shoulders during dusk/dawn
- The 17th-25th are when deer will be pressured to move
- The snow has fallen. Extra caution goes along way on slick roads

Please take a moment to actively thank someone you're grateful for over the holidays... They will not forget it.

Driven to serve & Thankful to be involved with your insurance,

Jackson Bubolz
