

Focused on our Community

Happy Halloween Jackson,

These client news-videos usually focus on the service work and monetary contributions Elevated Insurance participates in each month. We are so active because we want you, our clients to:

- Get more than an invoice from your insurance
- Know that we are serving this community on your behalf
- Give you reasons to be **proud** of where you buy your coverage

If you've been looking for something your directly benefit from... Boom!

Driven to serve,

Jackson Bubolz

PS- referrals turned clients always get you silly-big bonuses. See below*

Did you know that Elevated clients are a HUGE part of Elevated's marketing strategy? Yep! Everyone on this list has received cash or gift cards in return for helping us grow our business. Easy referrals are people buying homes. Other ideas are folks who's agent retired, or anyone who values FOR PURPOSE work locally. Keep em coming please!
