

## Intentional Success

Good morning Jackson,

"Get your life together!" isn't exactly how my family's financial planner put it 6 years ago, yet she did say, "**Jackson, you have kids and a home, you need life insurance.**"

She continued, "When we meet in 4 months, have life insurance. You can buy it from me, from someone else... just have it."

That's what it took for my wife and I to figure it out.

If you **do not have a policy outside of work**, here are the basics to consider:

As school starts up, this is the time to "Get your life" together. If you have any insurance questions at all, please hit reply. We love to help.

Driven to serve,

Jackson Bubolz
